July 22, 2009

MELBOURNE, Fla. — Florida Senator Mike Haridopolos (R-Melbourne) presented an honorary scholarship in his name recently to a deserving student at the Melbourne campus of Everest University.

Cocoa resident Danielle Campbell wrote an essay about “What I Plan to do with my Education,” and was chosen as the first recipient of the Sen. Mike Haridopolos Honorary Scholarship by the senator, Everest University, and the Florida Association of Postsecondary Schools and Colleges (FAPSC), which instituted this scholarship program in honor of Haridopolos, its Legislator of the Year.

“Danielle’s essay about her career goals definitely stood out, and I wish her well as she continues her studies at Everest University,” Sen. Haridopolos said.

Campbell graduated in April with an associates degree in accounting. She plans to use the scholarship to complete a bachelor’s degree in accounting. Her eventual goal is to pursue a career in forensic accounting.

“We were delighted to select Danielle as the first Senator Haridopolos scholarship recipient,” said Mark Judge, president of Everest’s Melbourne campus. “She shows great potential to become the type of student that best embodies Everest.”

The Melbourne campus of Everest University, located within Sen. Haridopolos’ district, was selected last year as the host school for his namesake scholarship by the FAPSC during its annual conference in South Florida.

The Melbourne campus is located at 2401 N. Harbor City Blvd.
