

FOR IMMEDIATE RELEASE

Dade Medical College to Grant \$140K in Scholarships Through the FAPSC 2009 Scholarship Program

Hialeah, FL, January 13, 2009 — Dade Medical College will be awarding qualified area high school and GED graduates a total of \$140,000 in scholarships through the Florida Association of Postsecondary Schools and Colleges. The Miami and Hialeah Campuses will each present 30 - \$5,000 and \$1,000 scholarships to individual programs such as General Radiologic Technologist, Diagnostic Medical Ultrasound, Diagnostic Cardiac Sonography and others.

To be considered for a scholarship, the interested students must be a Florida High School senior with a minimum a 2.0 GPA or higher and graduating during the 2008 – 2009 school year or have been awarded a GED between March 1, 2008 and February 27, 2009. Applicants will also be required to write a 300-word essay answering the following questions:

1. Why have you chosen this particular career?
2. How will this program of study help you obtain that career?
3. Why do you want to attend this particular institution?

Each application will be evaluated by a FAPSC independent scholarship committee. Deadline for submission is March 6, 2009. Prospective awardees may download an application by visiting:

<http://www.fapsc.org/displaycommon.cfm?an=1&subarticlenbr=39>

In 2008, Dade Medical College added an additional 12,000 square feet of classroom, laboratory, office and student lounge space to the Hialeah Campus, bringing the total to 21,000 square feet. The institution was also approved to offer Academic Associate Degrees in 2008. Construction has now begun on a second non-main campus in Homestead. Dade Medical College is accredited by the Accrediting Bureau of Health Education Schools and is a member of the Florida Association of Postsecondary Schools and Colleges.

Dade Medical College was founded in 1999 as a vocational medical institute teaching diagnostic ultrasound. The main campus is located at 3401 NW 7 Street in Miami and like the Hialeah campus, which was built in 2007, offers Diplomas and Associate of Science Degrees in the fields of Massage Therapy, Medical Assistant, Diagnostic Medical Ultrasound, Diagnostic Cardiac Sonography and General Radiologic Technology. Additionally, the school features a new A.S. in Healthcare Management program.
